2018-2019 After-School Late Pick-up Policy

The **PINES Future Citizens** After-School Program ends at 5:45 PM and all students should be picked up by 6:00 PM. It is the program's policy to begin calling your emergency contacts to pick up your child at 5:50 pm. Since we are not allowed to charge a fee for services, students who are picked up late repeatedly may be removed from the program.
